Grand Master Templar Knight

Sirth nome: Richard Wilhelm Newbauer

I, as here on this Homepage defined and identified, affirmative  
this are my sentences as here ident.fied and defined, with al my  
meaning!!!

1/31/2024 made time 12:55 bind on Document289

I was on my way to Library again from one to another, somebody steal my bag pack as I rest I was DK (low sugar values), in this bag back was my Food its means they try to kill me, I declare here this is an declaration of war on the Kingdom, The ongoing shit in my head thru this device is to interpret it also like that is also somebody ask where is the kingdom, somehow the world have to ask in what meaning of non existent law on former USA is that possible, in an congregation of criminals that don't realize one think, organized criminals and people of politics that thinks they are in some kid of organized crime with out any meaning and expression from an King self to be part of that...I stay in front of Canada embassy, if they now like me or not, and indicate this is my will, I'm right and don't force nobody to accept it also don't spread propaganda and Lie's against those ho are against me, there more than 14 peace stolen it's means how here described and put to document nu.: 300 Million former USA Dollar (now here new explains in resources Gold Bar, Silver Bar, Oil, Platinum Bar, Palladium Bar), per peace, what means ...It should pretend thief's al the time to steal my stuff al for al my Medicine.

The next thing is, you have to come to me and to get you Paper to be able under the new Laws and Government to act, al assets it will be recognized, have no interest on you privet things, Money, county, belongings, Buildings and so on...After also Bons breaking from the former Gov of USA, during my sleep, and al that other "mistakes" with this device brainwashing shit, ongoing peep and brainwashing, without any paper, any Law, nothing that you can justified that I where it, I get from an transit woman one Dollar repeat here in numbers \$1,- and she say I should bye something to eat, what can I say, in Washington DC, I throw it in my Trashcan the people don't understand that!!!

For those ho don't understand this "Government, USA" former USA threatened the entire world not to take me!!! Maybe I'm wrong, can somebody explain why?
