The Homepage is under attack and is in ongoing changing, the Company is in Germany home and the Government don't realize that I'm in USA Soil with the rights and the damages from USA, also the Neonazi German Government don't realize how here already expressed no principles of law.

The next thing is, I need my sword to pray, my Temple, and a lot of other things without this things in my head!

What is the Grandmaster Templar Knight doctrine, as known Historical meaning and there described?

Why you put in USA as new official the hand of the Bible? If you say al in the Bible is none existent?
What have the oath of value? Also the entire christianity, Jews people, Islam is mental III?

My religion calls Templar Knight, I'm an Christian, Temple of Solomon, Kingdom of Solomon, and because that I'm under slavery device to take everything from us how here put to evidence, For those ho don't know there is an database for the time when where and ho was on this side with what access with what IP! It can be examine and also put in place as evidence on some court, maybe that in Genf! The peeping is so laud that I can not focus!!! In Frame of second per second of al data, that income and outcome, from this slavery device, and with the prove of an X-ray or and M.R.I. what the Hospitals and The Nazi Government Biden denial this right to put it here online!!!

Heavenly armt with this peace of shit Mengele KZ Guardians neonazi peace of shit are not able to expose al data what is here, and the country, Kingdom Of Solomon and USA have loses over 20 trillion USA Dollar per day because I don't lye down my kneel in front of the Majesty s peace of shit Congress, Gestapo F.B.I. and peace of shit Law enforcement " I protect the Constitution" Idiots bullish lairs! with al there Courts Involved, and executed!!! Please hereby give me an stupid rifle and let me restore the Constitution or let me out of this peace of shit U.S.A. Country Neonazi KZ peace of shit, non existent Government, as known with the constitution defined rules of Government in U.S.A. so if also is there non existent peace of Paper, We the People, as Known here defined and from me/us expressed so is the USA non existent!! So I have to wride such shit so that I can not made nothing to my Blender 4.0, and the Govermenyt give a shit about you, about every one because he was not able to be a thief and take a lolly, it jump on his bag as children and screening around,
"But is my my my my my my !!! Give me a Rifle and enough ammunition!!!

Afirmative, as Natural Person here on this Homepage
identified and defined, this are my sentences with al
