King Richard the III  
Grandmaster Templar Knight

birth name: Richard Wilhelm Neubauer

Hey, I, on his Homepage identified and defined, a firmative  
this are my sentences with all my meaning

1/18/2024 time 14:48 bind on document248

One guy yesterday keep forging near me it should provoke me to do something, today I was in the 11 street and c street, to do my laundry and the guy cal the cops, to watch the restroom, put here as penalty false accusation and harassment if is true that the cop was there because me! I arrived on the Laundromat how here described 11:00 am something and the police was there, I use the restroom to shit and to change my cloth, is already a crime, capital one! Propaganda White house spread there stupidity and is quiet interesting that kind of think, I right some thinks down on my note Book, I think I let it be, I will it just put it here in place and copy paste it.

I think " Neger maybe you need a chain on your neck again" ! this my thinking is exposed and the White House have the invitation to propaganda and misinformation, will be declared as trumpist and bye all necessary respect I don't get it with this kind of adjective, I don't know Mr Former President Trump or and if he have this Title or not, and so on...Put here the cameras of the Laundry Business as evidence that this think is in me. The most people maybe don't get it, is in me, an device that was put thru an surgery in me, and I'm for no reason under survailance what I my self figured out, I try it to put it out and the end of story was I was casturadet in an emergency Mental III part of the Hospital, 4 day's on the chair tortured, yea on the chair 4 days! In Elmhurst Hospital, Queens, NYC! No joke!! They even don't prove it tha I have an Device in me, I please them to make an M.R.I. they ignore that and put me in the Mental III emergency department, put here as penalty kidnapping and Malpractice from the Elmhurst Hospital how here described! Please hereby again if Canada Is reading this my only one expression of my thoughts and will prepare some documents in frame of an Asylum for me and My Son birth name: Sebastian Neubauer, Birth Date is 1/05/2008, birth place is Paderborn, United States of Hitler Germany (Bundesrepublik Deutschland) Vines Hospital! Is al ready 15:42 the Time is running and my Refraction Loupe glass and Aluminum or and Paper how on my Portfolio described can not finish it to show how you focus the radiant of the sun in one point to warm up things, to use it as Energy system! Australia can it used to made Salt less water, more cheap and more effective thru new energy system and design of reverse osmosis ! I have to put it on the paper again! May God give me for another day the ability to grow and to inspire the World to read his sentences and to his ways, to be able to endure what ever is necessary to put liberty, freedoms and equality in a meaning that I, you and everyone ho read this, have the feeling the understanding and the power to feel exactly that under the Constitution, I have to leave this country to put this device out! Hey Gestapo F.B.I. again, Amendment 13 and 14!!! May God bless Us and judge all the others how they judge us!!!

King Richard the III
