

11:45

King Richard The III

12/14/2023

Grandmaster Templar Knight
Birth name: Richard Wilhelm Neubauer

document is from me and Dedore hereby this is
King Richard The III, Grandmaster Templar Knight
Birth name: Richard Wilhelm Neubauer

12/14/2023 time 11:45, bind on document 101, We begin with something easy, the thing with faith, psychopaths Dr. don't get it, there obsession of total control in a meaning that they (delusional or not) have to delling with super funguy superhero ability, without any other control thru other scientist, or and to be questioned because they have all ready superhero affirmative Dr. Title non existent scientific work have not to be examined from nobody, they have all ready super power and they get crazy to crash the City to ash with there forging super power, siting in the chair, an evidence of shit, from time to time that is than bind to the () exactly that, there is nothing, what I mean? There is void space. You don't understand? That is there from me defined the scientific work from this people and I nee please there Work of there Dr. Title to examine that to send it to real scientist and to give me an kick in my)(*^ or an affirmative,

God in have, please be mercy I will be so proud if I have such Title, I will smile and say, hey here, you something, and smash the paper in his stupid face, smile and say, I don't know what I will say, I don't know proudness (arrogance, haughtiness, hauteur, insolence, loftiness, lordliness, overbearingness, presumption, pride, pridefulness, superciliousness, superiority.), I even can not write It, I was force to open a smart Homepage, there are the definition on it, I here post it!

Than the topic that some Hospitals don't get it, in communnistica (sorry can not write it)
America, oh good poem, communistica-->America, that's sounds,

(part of the process) ----thank you Wix.com---also what many people don't understand, a fee World was build with Documents, maybe those ho was stealt in the night, because I'm on the street and I'm eligibility to be stolen, special when the Monitoring team (organised crime) inform and coordinate the crime against me, King Richard the 3, Grandmaster Templar Knight, with the birth name: Richard Wilhelm Neubauer, to laughfing that they steal everything what there need, and this device in me is used as to let me so deep sleep, that even if you hurt me I don't weak up! I thing thru the forensic examination of the digital recorded data, will this people, all involved ho use this device as harassment and wrong evidence making, as I already put to paper and put h ere to evidence, 300 Million per second, as fake mental illness diagnosis, bind with that all loses of the sanctuary, Temple of Solomon, Kingdom of Solomon.

King Richard The III
Grandmaster Templar Knight
